“We want our portfolio companies to work with market leaders in all categories. Scout Gaming is recognised as the best fantasy sports provider in the Nordics, and one of the leading ones in the world. Esport Fantasy leagues are catalyst of data analytics, monetisation and brand exposure. We want to make fantasy leagues a great stage for unknown players to show their skills, develop a fan base and become heroes!” Says Carlos Barrios, RBV CEO.

“The opportunity to tap in the esports grassroots movement is massive. Scout Gaming will be exploring with RBV and RBV portfolio companies how to tap that opportunity. “says Andreas Ternström, Scout Gaming CEO

The potential partnership between RBV and Scout Gaming is part of RBV wider initiative oriented to **serve as catalyst of the esports and gaming grassroots and startup community**.
